Principal

It is our wish that the students of Hoagland High School be prepared for their place in our democratic society. We hope that along with the academic preparation we have also instilled in our students some moral and social values that will stand them in good stead as they face life. We wish the graduating seniors the best of everything as they leave us and go their separate ways.

Secretary

MRS. HOLLE

The charmer of the office, Mrs. Holle is always ready to fulfill our needs whether it be for a "first grade pencil" or sympathy on flunking a test. Her enthusiastic school spirit is outdone by few. She is an ideal Wildcat all the way.

Class History

In the fall of 1963, sixty-five scared and excited Freshmen entered the halls of Hoagland High School. The first problem confronting us, was; where to find the classrooms. Guided by Mr. Sadler and Mr. Owen, we got acquainted and elected our leaders, Denny Hockemeyer, President; Mike Saalfrank, Vice-president; Bonnie Holle, Secretary; Susie Shelburne, Treasurer. The highlight of the year was our class party hosted by our President Denny Hockemeyer.

Class rings were the key word during our Sophomore year. With the careful assistance of our sponsors Mr. Rose and Mr. Sadler we picked the class rings. We chose as our officers Jim Reinking, President; Dan Wietfeldt, Vice-president; Susie Kimberlin, Secretary; Art Hughes, Treasurer. Our class party was held at Diane and Doane Rohrbach's. We enjoyed a scavenger hunt while we were there. At the end of the first two years we realized our high school days were half over.

Under the guidance of Mr. Sholund and Mr. Springer, the Junior class sold candy and magazines for the Prom to be held on May 7, 1966 at

Lighted Acres. The theme for the Prom was "Paris by Night" and Bev Jones was crowned as Queen. The officers for this busy and eventful year were President, Bev Jones; Vice-president, Mick Scheumann; Secretary, Susie Shelburne; and Treasurer, Mary Bearman.

Could we be Seniors already? Sure enough! What an exciting year ahead of us: Senior pictures, invitations and name cards, and caps and gowns. With the most exciting event of the year in May, Graduation.

With our great Seniors on the basketball team, they brought home a great victory. This was none other than the Allen County Basketball Championship. Our class was fortunate to have many outstanding athletes in many different fields.

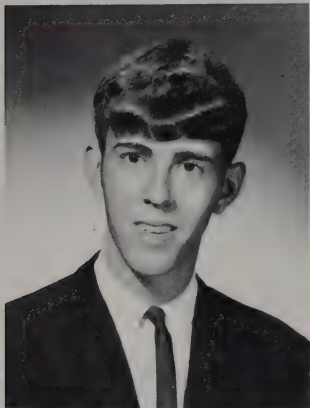

The experience of Mr. Waters and Mr. Mader carried us through to our Baccalaureate and Commencement. In our Senior year we chose as our leaders, Dan Wietfeldt, President; Virginia Sprague, Vice-president; Jean Gresley, Secretary; and Susie Shelburne, Treasurer.

We the Class of 1967 will miss Hoagland High as we enter into our different vocations.

Social Studies

The corners of the world are slowly closing about us due to advanced methods in transportation and communication. Nations that seemed distant many years ago are now close neighbors. It is important that each student realizes the role that America plays in the whole system of world communities. The social studies instructors endeavor to impress this idea upon the future citizens. History and Government teachers familiarize their classes with the basic functions of democracy at work.

The senior class formed a stock club this year at the beginning of the year. The second period class bought General Time and the third period class bought Sperry Rand. Then at the end of the year they sold the stock and made a small profit.

Hoagland Wins County Tourney

THRILLER

Saalfrank's Shot Beats Warriors

By BILL DAVIS

Mike Saalfrank's jump shot with three seconds to go gave Hoagland a 52-51 victory over Woodlan in the championship game of the 44th annual Allen County Basketball Tournament at Memorial Coliseum last night. The shot, a soft one-hander from just to the left of the foul lane, capped one of the most thrilling title games ever played.

The victory gave Hoagland its eighth tourney crown and its first since 1958. It also was the first Allen County tourney championship for head coach Gene Harry. Hoagland is making its 10th appearance in the championship game. Woodlan was in the final game for the fifth time. The Warriors have won the tournament three times.

The final game attracted 3,484 fans. The total attendance for the four sessions was 15,676.

Saalfrank's game-winning shot was only his second basket of the night. It climaxed a wild finish in which the ball changed hands three times in the final 30 seconds.

Hoagland opened up its biggest lead of the game, 49-33, with 6:54 remaining and appeared to be on the way to victory. But Woodlan came fighting back. Kerry Litzenberg cashed a free throw, scored later on a pivot shot and Paul Ono tapped in a rebound to narrow the gap to 44-44 with 4:39 to go. Denny Hockemeyer stopped the rally momentarily with a free throw. Litzenberg's three-point play sliced the difference to three points and he then cut it to one with a pair of free throws with 2:52 remaining.

Rick Smith's long shot with 2:16 to go shot the Warriors in front, 51-50. Then followed a series of five turnovers, three in the last half minute. Hoagland got possession for the last time with 10 seconds remaining. Seven seconds later Saalfrank's jumper gave Hoagland the title and marked the first one-point decision in a championship game since Elmhurst noded out Lafayette Central, 29-27, in 1935.

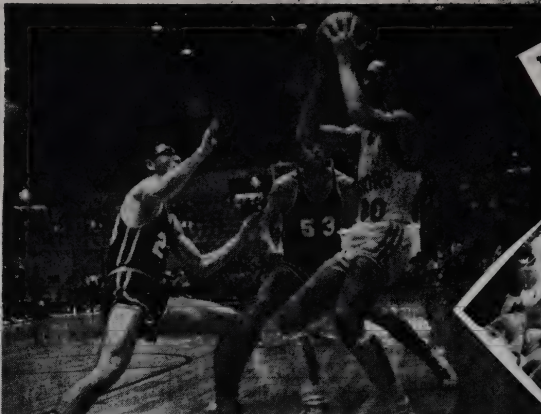

Harris Sets Record

Woodlan held a 17-14 lead at the first stop, but Ed Harris, who established a new three-game tourney scoring record with 71 points, paced a second-quarter comeback that netted the Wildcats a 31-29 halftime advantage. He scored eight of his 18 points in the period.

The Warriors took their biggest lead, 24-15, with 5:10 left in the half. It was still 26-21 two minutes later when Harris took charge. He scored on a drive-in. Hockemeyer tallied on a pivot shot and Harris tapped in a rebound. With 1:30 remaining in the half, Harris cashed two free throws. Ono hit from the outer edge of the foul circle for Woodlan and Harris connected on a pivot shot to cap a 13-2 Hoagland rally and give the Wildcats their three-point margin at the half.

Woodlan rallied in the first half of the third period to move ahead again. Terry Hoepfner and Litzenberg pumped in two baskets each while Saalfrank hit one for Hoagland and the Warriors had a 36-33 lead with 3:22 remaining in the quarter. Hockemeyer then scored three successive baskets and Harris one to round out the period and set the stage for the final eight minutes.

Harris' 18 points led all scorers. His 71-point output for the tourney erased the three-game mark of 71 set by Bruce Hazlett, of New Haven, in 1963. Hockemeyer added 14 points for Hoagland in the title game. Litzenberg paced the Warriors with

ONE THAT MISSED—Woodlan's Monte Gerig gets set to fire a shot in the third quarter of last night's Hoagland-Woodlan game in the Allen County Tournament finals. The shot went astray. Hoagland players are Stan Zell, left, and Mike Saalfrank (53). Hoagland won, 52-51, on Saalfrank's basket with three seconds left to play.

Harris Sparks Wildcat Win; Lions Spill Jets

By BILL DAVIS

Junior forward Ed Harris led Hoagland to a 71-62 victory over Monroeville and Leo ousted Adams Central, 62-50, in last night's second session of the 44th annual Allen County Basketball Tournament at Memorial Coliseum.

The semifinals will be played this afternoon. Woodlan and Churubusco meet in the first game at 1 o'clock. Hoagland and Adams Central clash in a game at 2:30.

Harris connected for 18 points and missed the single-digit key scoring mark by one point. Al Herman, of New Haven, set the record, scoring 32 points.

The Wildcats' crack forward started slowly, going more four minutes without a point at the start of the game. He missed the first period with 11 points, tallied eight in the second quarter, 13 in the third session and six in the final eight minutes for the highest one-game total in tourney action since Bill Bailey scored 32 for Lafayette Central in 1961.

Big Third Quarter

Hoagland had all it could handle for two periods, but blew the game open in the third quarter. The Wildcats had only a 10-10 lead at halftime, but crossed their margin to 24-15 at the third stop and then came home over the outmaneuvered scrappy Cubs.

Monroeville led five minutes into the second session, but Hoagland's Scheumann put

ahead to stay, 17-15, with 6:57 left in the half. Hoagland went on to build a 33-23 lead, but the Cubs rallied with six straight points in the last minute and a half to slice the deficit to 33-31 at the intermission.

Hoagland's Scheumann scored 16 points and Harris added 14 with 4:32 left in the game. Monroeville then pumped in 12 successive points to make the final score respectable.

Denny Hockemeyer and Scheumann followed Harris in scoring for the Wildcats with 15 and 12 respectively. Monroeville had four players in double figures. Jim Trentadue and Steve Crates scored 15 each, Tim Voirol controlled for 12 and Denny Graber 10.

Harris scored a 68-57 victory for Adams Central in the first session, but the Lions' second night would have to wait. Harris was a mild upset. Adams Central went into the game with a 2-1 record, Leo was 7-5.

The Lions led at all the stopping points, 19-13; 33-26, and 45-32. They had to subdue a case of nerves and a Flying Jet rally in the fourth quarter, however, to oust the Adams County quintet.

Kerry Hubart's long shot gave the Lions their biggest lead, 41-32, at the start of the last period. Darryl Ringer converted two free throws for Adams Central and Jim Liechty hit one for Leo. Two baskets by Roger Currie and one by Dan Green made it 48-40 with 3:34 remaining. Tim Gehrig dropped in two free throws for the Lions, then Bill Stuckey hit from the key and Allen Birch tapped in a rebound to narrow the gap to 50-44 with 2:21 left. Gehrig and Liechty each cashed two free throws and the Lions moved back out of danger. Ringer hit a long shot, but Leo added four straight points to clinch the decision.

Lions Go Ahead To Stay

After three ties in the first period, Hubart's shot from the corner put Leo ahead to stay. The closest Adams Central came after that was 15-13 late in the opening quarter. The Lions increased their advantage to 23-15 early in the second period and maintained a lead of from five to eight points the rest of the quarter. They had margins ranging between eight and 13 points throughout the third period.

Gehrig led the Lions' attack with 16 points, 10 of them on free throws. Hubart and Liechty

scored 14 and 12 respectively. Monroeville then pumped in 12 successive points to make the final score respectable.

Denny Hockemeyer and Scheumann followed Harris in scoring for the Wildcats with 15 and 12 respectively. Monroeville had four players in double figures. Jim Trentadue and Steve Crates scored 15 each, Tim Voirol controlled for 12 and Denny Graber 10.

ABSENT: John Gresley, John Deimer, Garl Gresley.

Football

This may well be the future football squad of Heritage High School, consisting of players from both Hoagland and Monroeville.

Hoagland High School's 9th grade and 7th and 8th grade football boys of 1966-67 were fortunate enough to play a very important roll in the future plans of Heritage High School football. Mr. Mulligan, our principal, saw the need of a football program in the 7th, 8th, and 9th grades and made plans accordingly. Thirty-three uniforms were purchased and fifty some boys reported to Coach Bill Williams and his assistant George Wehrmeister.

The squad approached the completely new football program in a very positive way. First they considered the overall picture of the game, what it was about and why certain fundamentals were used. Conditioning for football came next and finally the fundamentals were stressed. Monday, Wednesday, and Friday nights were used as practice nights.

Enthusiasm for the sport and great desire to learn and to play football seemed most evident. The season progressed in excellent style, but came to an end entirely too soon for all concerned. One and only one full regulation game was played to end the season. The Hoagland 9th graders played the 9th grade city champs from Fort Wayne, Kekionga. Kekionga finally won, but not until the Hoagland team had scored two thrilling and worthwhile touchdowns. A pass on the 3rd play of the game from Stan Zelt to Bruce Linker went 78 yards for the first touchdown and a kick-off run-back by Zelt went for 70 yards and a touchdown in the second half.

The coaches were certainly pleased with the fine improvement this squad made in such a short time. It appears at this writing that football will be a very important part of the sports program in the New Heritage High School. "B" team schedules will be played in 1967 and the first varsity schedule in 1968.

THE MOON *and beyond*

Bright, new horizons await today's students . . . new technologies . . . new advancements on all fronts . . . even the moon and whatever lies beyond.

How far you go in this space age depends partly on your imagination but primarily on your education and training. Conquering new horizons will demand more of today's graduates—more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives you an opportunity to "shoot for the moon" in any field. Whether or not your target is reached depends on how well trained you are to launch your career.
